HMDA LAR WORKSHEET

INSTRUCTIONS:

This form should be completed before FUNDING of the Loan or within 30 days of Application & Submitted to the HMDA Reporting Officer.

For the HMDA packet, use this worksheet tool and ALL supporting documents that your bank has defined in the HMDA Resource Chart as the specific resource to collect to required data fields.

For example:

Complete the form in its entirety, attach copies of ALL supporting documentation for the data collected and submitted, such as: [Application](#), [Credit Report](#), [Closing Disclosure](#), [Settlement Statement](#), [Government Monitoring Information Form \(GMI\)](#), [Loan Memo](#), [Withdrawn or Denial Information Packet](#), [Appraisal](#), [Cash Flow/DTI worksheet](#), [HMDA flowchart Determination](#), etc. to create a HMDA packet for each transaction reported on the LAR.

HELPFUL TIPS:

Headers shaded in BLUE is information defined by the bank. Headers shaded in TEAL is information defined by the customer (completion on the GMI Form) or Loan Originator.

Use this form in conjunction with the Compliance Pathways HMDA Data Resource Chart.

Update the HMDA LAR by the end of the month following each quarter.

Best Practice suggested: *Keep a HMDA Packet for each transaction with HMDA LAR Submission Reports. For examinations and audits...this will should be all that is needed to process the reviews (unless discrepancies are found). Be sure to put a copy of the HMDA Worksheet in each corresponding customer's file for auditing purposes.*

This publication is designed to provide accurate and authoritative information of the subject matter covered. It is provided with the understanding that the publisher is not engaged in the rendering of legal, accounting, or other professional advice - from a Declaration of Principles adopted by the American Bar Association and a Committee of Publishers and Associations.
